Antitrust Policy Notice

› Linux Foundation meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

› Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at http://www.linuxfoundation.org/antitrust-policy. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrove of the firm of Gesmer Updegrove LLP, which provides legal counsel to the Linux Foundation.

Agenda

- Roll call

- Project Update

- Specification Work Team

- Guest Speaker -

  Russ Eling '*My Journey Through OSS Compliance at GM*'

OPENCHAIN

Project Update

- OpenChain had a full day at Open Source Summit Europe. Big focus on automotive, locking down our ISO spec, and providing room for presentations about partners, policy templates and more.
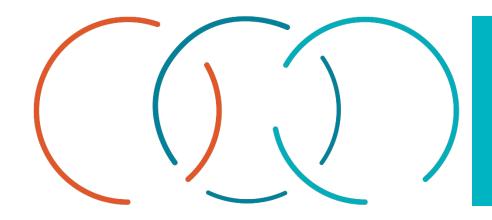

OPENCHAIN

Specification Work Team

- We are locking down the standard with no changes except harmonization of "Program Participants" and "Software Staff" to only using "Program Participants"

- We will be striking the addition of a normative references section to the ISO draft because it was an addition, and we want to map 1-2-1 with openchain spec 2.0.

- Public comments run until the end of November.

OPENCHAIN

Guest Speaker - Russ Eling on OSS in GM

- Russ continues our regular program of guest speakers sharing their experience, case studies and other topics of interest.

- Russ is the first key open source figure from an end-point US automotive company to share his work.
